**Marine Macroalgae Extract**—Its power is in inhibiting enzymes that slow the digestion of sugars and fats. Harvested off the coast of France, this 100% natural extract is rich in minerals and polyphenols.

**Nopal Cactus, a.k.a. Prickly Pear**—This unique plant compound reduces the absorption of sugars and fats from the gastrointestinal tract.

**Unroasted Green Coffee Bean Extract**—Extracted during its natural state, the polyphenols power healthy changes in the digestion, absorption, and metabolism of sugars.

**Phaseolus Vulgaris**—Originally isolated in the 1980s from white kidney beans and subsequently purified by a research group from the Mayo Clinic, this ingredient is a powerful agent in inhibiting the breakdown and thus the absorption of starches and sugars.

**Berberine**—The active compound from the ancient Chinese herb, *Coptis Chinensis* Franch, has been used for thousands of years in the treatment of diabetes and modern use demonstrates a powerful reduction in sugar spikes.

**These superstars of slim have now joined forces to create a powerhouse panoply like none other.**
